

Aditya Air Compressor

Choose Wisely

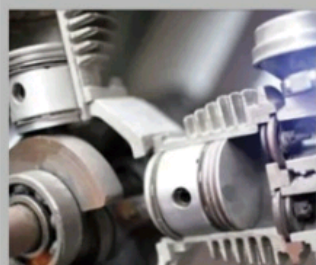

ADITYA SERIES 1HP To 30Hp

Single and Two Stage Oil-lubricated Reciprocating Compressor

Robust, Reliable and long lasting

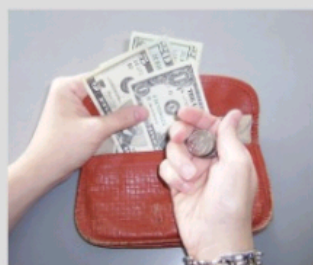

Aditya reciprocating air compressors are designed for optimum efficiency while requiring maintenance to meet your demands of compressed air.

Core values that benefit the customer

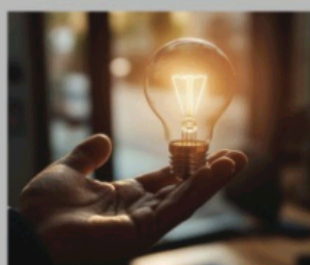

High Reliability:

Enhanced life of consumables and lesser service points ensure lower down time of the compressor.

Cost Effective:

Offers low life cycle cost with zero compromise on performance and quality.

Energy efficient:

Aluminum cooler tubes ensuring superior heat dissipation for higher operating efficiency.

Operator Safety:

Compressor design confirms to ASME design code and OSHA Safety standards.

Product Features

Cast iron block

Industrial Duty rating

Pressure Switch with unloader

Slow Running Speed

Inter stage pressure relief valve

Air Receiver

Leak proof fittings

Totally enclosed belt guard

Benefits

Outperforms and outlasts aluminium block compressor

No stand-by compressor required

Easy Starting And Increases motor life

Low wear & Tear

Provides extra

Totally safe, as per international standards

No compressed air leakage

Full protection against accidents

*Feature available with select models only.

Technical Specification

Single-stage (maximum Pressure 9kg/cm² or 128 psi)

S. No.	Model	No Of Cyl	H.P.	Displacement		Working Pressure		Comp. R.P.M	Tank Capacity (Ltrs)
				LPM	CFM	KG/CM ²	PSI		
1	ACS - 10	2	1	170	6	2	114	840	50
2	ACS - 20	2	2	225	9	2	114	840	100
3	ACS - 30	2	3	425	15	2	128	650	160
4	ACS - 50	2	5	604	21	2	128	925	250
5	ACS - 75	2	7.5	1042	36	2	128	780	325
6	ACS - 100	2	10	1228	43	2	128	920	420
7	ACS - 150	2	15	1390	66	2	128	920	500

Double -stage (maximum Pressure 12kg/cm² or 175 psi)

S. No.	Model	No Of Cyl	H.P.	Displacement		Working Pressure		Comp. R.P.M	Tank Capacity (Ltrs)
				LPM	CFM	KG/CM ²	PSI		
1	ACS - 200	2	2	226	8	12	175	780	100
2	ACS - 300	2	3	303	10	12	175	925	160
3	ACS - 500	2	5	524	18	12	175	780	250
4	ACS - 750	2	7.5	650	23	12	175	960	325
5	ACS - 1000	3	10	1042	36	12	175	780	425
6	ACS - 1500	3	15	1302	46	12	175	970	500
7	ACS - 150	3	15	1782	63	12	175	850	500
8	ACS - 200	3	20	2292	81	12	175	920	500

Two Stage High Pressurs Air Compressors

Low Investment, Maximum Returns

Aditya reciprocating air compressor Is meticulously designed with cutting edge technology proven around the world. It is simple to operate and easy to maintain. And with an extensive service network and easy availability of spares, this compressor is undoubtedly the wisest choice for unparalleled performance in the long run .

For small scale industries and entrepreneurs, Aditya air two stage high pressurs compressor Provide the perfect match between low investment and maximum returns.

Product Features	Benefits
Robust and rugged design	Designed for continuous Performance in climatic conditions
Deep finned cylinders	increases heat dissipation
Air-cooled after-cooler	Efficient cooling to ensure that temperature rises are kept within 10°C above ambient
Inter stage pressure relief valve	Provides additional safety
Wire wound copper to copper after cooler	Greater cooling and better heat dissipating
Light quality piston rings	Low oil carry-over and extended life of piston rings
Efficient discharge valve system for high volume compressor	Higher volumetric efficiency
High Efficient motor*	Energy saving

Tow stage high Pressure Air Compressors

S. No.	Model	No Of Cyl	H.P.	Displacement		Working Pressure		Comp. R.P.M	Tank Capacity (Ltrs)
				LPM	CFM	KG/CM ²	PSI		
1	ACS - 300	2	3	226	6	30	425	515	100
2	ACS - 500	2	5	303	10	30	425	925	150
3	ACS - 750	2	7.5	500	17	30	425	750	225
4	ACS - 1000	3	10	623	22	30	425	920	250
5	ACS - 1500	3	15	1161	41	30	425	850	350
6	ACS - 200	3	20	1386	49	30	425	950	500

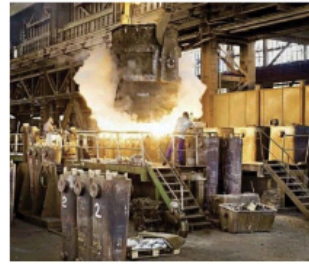

Aditya Reciprocating Air Compressor Applications :

Cement Industry

Clothing Industry

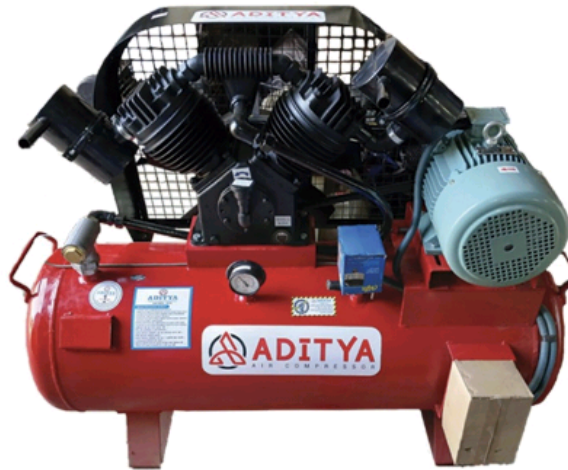

Iron and Steel industry

Auto garage

Genuine Spares

For enhancing performance and productivity

Aditya Airmate Accessories

Refrigeration Air Dryer

Moisture Filter

Drain Valves

Air Line Filters
